So he did something about it, developing a low-cost machine for making the pads and evangelising for their use all across the country, instituting a revolution in feminine hygiene, ending the toxic masculine culture of silence and disapproval and introducing a vernacular culture of social entrepreneurship.. Akshay Kumar plays the hero (renamed Lakshmi) and Radhika Apte is his troubled wife (renamed Gayatri).. But it's an engrossing and important subject – which was raised by a man who challenged patriarchal taboos with a candour and determination that many men all over the progressive world might shrink from even now.
